

ANNUAL REPORT 2022

LETTER *from the* CHAIR

What a year! In 2022, Companion Animal Alliance faced its fair share of unprecedented challenges. We were not alone. With a national shelter capacity problem, we, too, managed near record-high dog intake numbers. This is an emotionally and physically exhausting situation for employees and animals alike. Nonetheless, our staff, volunteers and community maintained steadfast support for our mission to positively impact as many animals as possible and further our lifesaving mission.

Our Transport Program found placement for 3,543 cats and dogs to bring to partners across the nation. With the help of The Bissell Pet Foundation, we were able to schedule more than a dozen private flights. CAA has gone nationwide with adoptions of our pets all over the country!

Our Pets for Life program extended its reach to two additional zip codes where almost 40% of the population lives below the federal poverty line. The team has partnered with the Charles R. Kelly Community Center to host monthly free pet food giveaways open to the public. The community center also adopted a CAA pet, Bigsby, as a senior citizen therapy animal, exemplifying the beneficial relationship between CAA and the communities we serve.

August 2022 was particularly difficult with almost 200 more dogs than kennels. We asked for help from the community to find emergency placement through foster care or adoptions. The amount of support we received was astounding. In the span of a week, over 150 dogs left the shelter to go into forever homes and foster homes, clearing out an entire room of kennels. This gave our staff, fosters and volunteers the boost of confidence needed to keep the momentum going.

We are hopeful that with continued support from our community, combined with the passion and drive of our staff, we will be able to continue our mission of saving as many lives as possible of lost, abandoned, and abused animals of East Baton Rouge Parish. As always, we would not be able to achieve these successes without the support of our fosters, volunteers, donors, advocates, rescue and transport partners and local veterinarians who believe in our mission. We are immensely grateful for each and every one who has aided our journey. We look forward to making a difference in 2023.

Sincerely,

Catherine M Dardenne

Companion Animal Alliance was formed as a nonprofit in 2010 to take over management of the East Baton Rouge Parish animal shelter. Our mission is to give lost and abandoned pets a second chance. To this end, we seek to decrease the number of animals coming into our shelter, provide humane care for all animals that are with us, find them forever homes or rescue groups, and return lost pets to their families.
